### FROM THE PRESIDENT

Western North Carolina has been hit hard this year with unbelievable rains and even so, we are out there, finding a way to ride and drive around the showers. Even with no club activities, I have been on the go.

My week at Blowing Rock was one of the best in years and we actually were dryer than it was at home. Wonderful driving and time with driving friends. I wish more members would take advantage of the opportunity we have which is pretty local for us.

Then off to Ohio to experience a northern CDE. Everyone was very friendly and welcoming but they didn't have anything up on us in terms of organization, venue and fun. And it was a long way off.

This fall, the Southeast is full of possibilities for your driving pleasure. Clinics, pleasure, competition, seminars, we will have it all. I have been having a hard time figuring out what I can stay home from or I will be on the road all fall.

Starting with a clinic with Amy Neary at Windridge Farm, I plan on getting my hazards skills ready to move up to prelim in the fall with Halley. Then a camping trip to Catoosa Ridge with Carriage Companions in early September.

Our own Pleasure Show welcomes DeDe Bushneck as our judge for the first time and goes back to a 2 day show. It has something for everyone including the ring classes, ride and drive (or fly for the minis), and a dressage and cones combined test for CDE folks.

Hope to see everyone there, as a competitor or volunteer, supporting our club. Many thanks to the crew that has made it possible. Then off to Aiken for the ADS weekend. Lots of drives and seminars to participate in.

Oh yes, then there is the National Drive in early October. I have only missed the one that wasn't in Ky so I think I have to go to that. Our big weekend in late Oct then the Windridge Farm HDT in early November when Katydid is taking a year off for pony champs. Wonder how many I can actually get to???
