FROM THE PRESIDENT

Winter....this year we have had some of all of it from snow and bitter cold to rain and ice storms. My heart went out to our Aiken members who dealt with days without power and loss of lots of trees with a horrible ice storm. We had snow and it was beautiful but hung around longer than I wanted it to. But most of February has been kinder to us than January was and there have been more than a few days to drive. And that is a good thing because the spring is going to be very busy. The weather delayed our schooling days at FENCE but we are now scheduled for Feb 28th. We are looking forward to a great clinic with Amy Neary at Windridge on March 7 and 8. There are still a few spots open if you are on the fence, jump off and come play with us. Then the next weekend is our annual foray to Foxbrier Farm for the ADT, a fun warm-up for the CCC HDT in May. Carol Ann is looking for entries and volunteers so give her a call. Then March 22 is our Quarterly meeting at the Green Creek Fire House. Come enjoy friends and great food at 6:00 p.m. Looking forward to seeing everyone in March. It is going to be a busy busy month and spring is on its way.

Price Story

FROM THE EDITOR

It is a continuing battle, endeavoring to keep my distribution list current and accurate. Please check with your friends to determine if they are receiving the newsletter okay. If not, please send me their names and email addresses so I may restore them to the distribution.

FUTURE EVENTS
