FROM THE EDITOR

As I've completed my term as president, I want to convey my thanks to the other board members, who gave me great support. Fine assistance was rendered by many CCC members, and I am grateful for the cooperation and help I've received. We enjoy a membership of a group of great folks.

I am delighted to welcome Price Story as our new president. She is super capable, and certainly will help this organization with all its future activities.

Welcome, new member joining as a non-driving supporter.
